

2010 Newsletter

Mayor Ron Cox

The sun's rays are warming, the ice has melted and the birds are returning to the valley! Yes, it is spring and the beginning of another glorious summer in this beautiful valley.

We look forward with anticipation to a season, full of the enjoyable summer activities these village surroundings offer. I cannot think of a more enjoyable place to spend my summer, than right here in the valley. We are so fortunate!

Plans are being developed for another exciting B-Say-Tah anniversary celebration which will take place on July 17, 2010. Councillor Ross Cowan has consented to co-ordinate the activities,

my thanks to Ross for taking on this task. Stay tuned, you will hear more about this event in the coming month.

Over the winter your council has been working hard on a number of issues concerning village life. One significant event, which has occurred and will be a big blow to the village, is the resignation of Peter and Lynn Gigian. Peter and Lynn have taken loving care of our village maintenance needs for a great many years. It is disappointing to see them go, however we wish them health and prosperity in their future activities. Their service and friendliness has been greatly appreciated and will be missed by one and all.

This change in personnel will mean you will notice some things will inevitably be done differently. Council is committed to maintaining the high standard of village care that residents have become accustomed to in the past. Your co-operation and patience is very much appreciated while we work out the differences in activities and procedures etc.

A new Community Plan for the village is steadily taking shape. This spring you will

receive a questionnaire requesting feedback concerning how you want to see the village grow and what changes need to be made concerning development. Over the summer you will be provided the opportunity to attend a public meeting, to provide further feedback and suggestions regarding the plan. I would encourage all of you to take the time to complete the questionnaire and attend the meeting if at all possible. Your input and suggestions, while highly valued and appreciated, are important to the way the village develops in the future.

I look forward to meeting you over the summer and listening to your concerns and ideas.

My wife Barbara and I wish you an enjoyable and safe summer! Please take care.

Mayor Ron Cox

Garbage Collection & Policy

Garbage Collection Day is
Tuesday all year

Yard Debris Collection Day
is Monday from May 1 to
October 31

The collection days may
change without notice due to
stat holidays.

Policy

1. Each household must provide enough containers for

their needs.

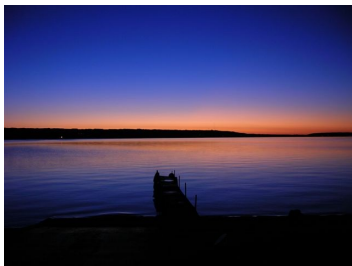

2. All garbage is to be bagged. Loose garbage will not be picked up. The property owner is responsible for picking up and properly bagging loose garbage

4. Garbage bags are to weigh no more than 50 pounds.

5. Garbage must be placed

as near the road as possible but placed so it does not impede traffic.

6. Yard debris includes hedge, shrub, grass clippings and leaves. Yard debris must be bagged in biodegradable/compostable bags or it will not be picked up. Bags can weigh no more than 50 pounds. Small tree limbs are to be bundled in 3 ft lengths.

Sunset at the Boat Launch

North Valley Waste Management Authority Inc.

North Valley Waste Management is located 3.5 km north on Hwy #35 from the junction of Hwy #35 and Hwy #56, 2 km east on gravel road and 0.5 km south. Watch for signage along the route.

Loads must be tarped or otherwise secured to prevent littering.

The landfill does not accept the following materials:

- Hazardous Materials
- Asbestos
- Concrete
- Tires
- Mixed loads

Swimming Lessons

Registration will take place on Friday, July 2, from 10 a.m. to Noon at the instructor's building on the beach.

Lessons will take place July 5 to July 30.

Head Instructor:
Emma-Lee Kramer

Assistant:
Jesse McCabe

NEW Registrations fees!

Per person:
Resident: \$20.00
Non-resident: \$40.00

All fees are to be paid at the time of registration.

The Swim Program would appreciate the donation of approved P.F.D.s to be used in the teaching of "survival and rescue"

Support A Safe Swim Area

Beach users' assistance is required in the watchfulness of the placement of the buoys during the swim season.

Movement of the buoys by others poses a safety hazard for swimmers.

Please report any unauthorized movement of the buoys to the village office.

B-Say-Tah Beach

Councillor Cowan

As we approach the 2010 summer season I would like to welcome the following new employees. Firstly, I would like to welcome Caralen Okolita as the administrator. Caralen joined us in June of 2009. In October of 2009, Kim Sastaunik joined the Resort Village as the Bylaw Officer. In March of this year, Peter and Lynn Gigian resigned as the maintenance employees. We will surely miss them after 23 years of service to the Resort Village. I would like to wish them success in their future endeavours. I would like to welcome Heath Walton as the maintenance supervisor and Dennis Leader as the maintenance assistant. I trust that you will be welcoming and patient to our new employees and direct any concerns or complaints to the office. We would also like to welcome back Kyle and Berke McClintock as our summer workers.

Discussions on a new lagoon proceeded over the winter months. The partnership has given a proposal to SaskWater for continued use of their lagoon and is awaiting the receipt of a formal agreement from SaskWater.

Your Council has been busy with various projects over the winter. You have already received a survey in conjunction with the development of our community plan and revision to our zoning bylaw.

Council has also been working on a solution to the drainage issue on beach lane and the paving of beach lane, parking issues at the boat launch, home occupations, adequate and efficient snow removal, negotiations with the R.M. of North Qu'Appelle over the proposed subdivision in the R.M., use of road allowances as storage areas by residents, new signs for the entrances to B-Say-Tah and the boat launch area, passing of new bylaws and policy and procedures.

North Valley Waste Management Authority Inc. has mandated the use of "BIODEGRADABLE" bags for the disposal of lawn, leaf and garden refuse. Your Council supports this initiative to enable the efficient composting of this type of material and to extend the life of the landfill pit. Please see the regulations on garbage and other refuse disposal in this newsletter.

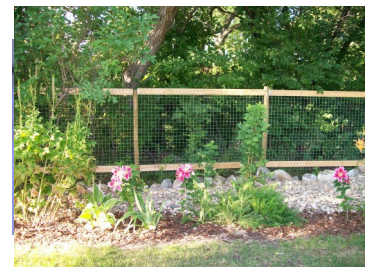

Council is pleased to report that there will be swimming lessons again this year. Please see the notice in this newsletter.

If you have any questions or concerns on any aspect of the running of the Resort Village please contact me at 332-4761. I hope you have an enjoyable and relaxing summer at "The Beach".

- Councillor Ross Cowan

Resort Village of B-Say-Tah

Councillor Cherewyk

I think that Spring is finally here! And now, let's hope for a very long summer after the short season we had last year. 2010 is going to be a great year; after all, it's the **95th Anniversary of B-Say-Tah**, which calls for a celebration! The celebration will be July 17th and you will want to stay tuned for more details.

B-Say-Tah's meaning of a large water bird brings us to our new logo which will be unveiled soon.

With the cottagers and campers coming back for the season our roads will be busier than ever. **Increased visibility of the RCMP** will continue to be a main focus; as well a pro-active traffic strategy and enforcement of the Traffic Safety Act including seat belt use, speed limit adherence, driving illegally or while under the influence, to name a few infractions. This year has seen an increase in impaired driving charges and this is a concern with the RCMP as well as the

Resort Village. **Crime Prevention** remains a priority and we ask that you all do your part in helping out. **Neighbourhood Watch** is everyone's responsibility; be mindful of your own property and surroundings and keep an eye out for your neighbour's as well. Any suspicious activity should be reported to the RCMP immediately. There has been discussion on bringing in an auxiliary program with the RCMP wherein citizens become involved on a volunteer basis to help out the RCMP. If you would like more information on this, please feel free to contact myself or Staff Sergeant Earl Nini at the RCMP.

We are fortunate to have a **Library** close by in town and all residents have access to it. Whether it's to check your email or to pick up a good book or magazine it's all there for you. During the summer months, reading programs will be offered. Stop in at the Library to find out

more information on this and other activities that are being planned, including book and/or bake sales, or just come in and meet the new staff.

Barb Badiuk, Librarian
Lois Haug, Assistant, Helen Mottershead, Assistant.

The Library Hours are:

Tues 12:00 – 6:00
Wed 2:00 – 7:00
Thurs 2:00 – 7:00
Fri 9:00 – 2:00
Sat 10:00 – 4:00

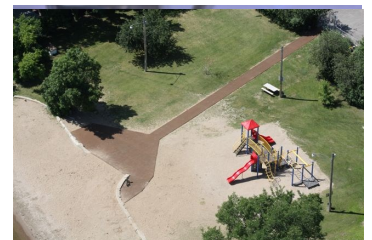

Our **Annual Ratepayer's Meeting** has been set for **Saturday, July 17th** in the Commons area. As always, council invites you to come by and share your concerns with us. One of the topics of discussion will be the proposal for the new office. The RCMP will be in attendance to answer any questions you may have. This is your opportunity to have a voice and we hope you will plan to attend. This day has also been set aside for the **95th Anniversary Celebrations**.

If you have any changes in address, name or phone number, we ask that you notify the Village Office in order to keep the information current for the Directory.

Finally, I wish to take this opportunity to thank Peter and Lynn Gigian for all their hard work they have done for the Village over their years of employment and wish them both every success in their future.

Have a Safe and Enjoyable summer everyone.....and of course,
GO RIDERS!!!!!!

- Councillor Sue Cherewyk

Main Beach
New Beach Path

Councillor Muirhead

Due to the resignation of Peter and Lynne Gigian the Village has found it necessary to hire two new employees as well as our usual summer students. Both summer students have worked for the Village in previous years. The Village has also purchased a new half ton truck and trailer for use by maintenance staff.

Currently we are trying to

determine the requirements for drainage along Beach Lane between Highway 210 and the boat launch. The drainage problem needs to be resolved prior to paving the lane. A consultant has been hired to correct the many drainage issues in the Village.

As the North Valley Waste Management Authority will

not allow lawn clippings and garden waste to be placed in the pit, all such waste will be required to be placed in bio-degradable bags. The Village will not pick up this waste unless it is in the required bio-degradable bags. However, individuals may take these wastes to the landfill in other containers provided they are emptied in

the appropriate location and the containers disposed of properly. The landfill staff will advise you of the procedures.

With everyone's cooperation I am sure that we can maintain the Village to the degree we have in the past.

- Councillor James A. Muirhead ASCT

"ALL NOISE & TRAFFIC VIOLATIONS ARE TO BE REPORTED TO THE RCMP DIRECTLY"

Bylaw Enforcement

The Resort Village of B-Say-Tah has hired Kim Sastaunik as the bylaw enforcement officer. Kim will address written complaints filed with the village office regarding bylaw infraction

within the Resort Village.

Please Note: All Noise and Traffic violations are to be filed with the RCMP directly.

331.6446

Copies of the bylaws and the prescribed complaint forms may be obtained from the village office or accessed on line at www.bsaytah.ca

Nuisance Bylaw

Cottage owners are encouraged to keep their properties and adjacent property tidy and free of "undesirable". We all know how quickly things can pile up, which is why the Bylaw Enforcement Officer is asking that owners take a look around their property and voluntarily abide by the Nuisance Abatement Bylaw.

This bylaw is intended to

provide for the abatement of nuisances that include property, activities or thing that adversely affect:

- the safety, health or welfare of people in the neighbourhood;
- people's use and enjoyment of their property; and
- the amenity of a neighbourhood.

A nuisance can include a building in a ruinous or di-

lapidated state or repair; and unoccupied building that is damaged and is in imminent danger to public safety; land that is overgrown with grass and weeds; untidy and unsightly property; junked vehicles; vehicles that do not have a valid license plate; are rusted, wrecked, dismantled, inoperative or abandoned; and open excavations on property.

B-Say-Tah Point

Garden Fresh Potato & Bean Salad

Garden Fresh New Potato & Bean Salad

Ingredients

1/2 C Miracle Whip
2 tsp Dijon Mustard
salt & pepper to taste
1 lb each: new red & white mini potatoes, unpeeled, halved, cooked until tender and cooled.
1/2 lb each: green & yel-

low beans, cut into 2 inch pieces, blanched.

2 stalks celery, chopped
1/3 cup fresh dill, chopped

Directions

Mix dressing, mustard, salt & pepper in large

bowl.

Add remaining ingredients, toss lightly. Refrigerate until ready to serve.

Tips

To cool quickly, immerse cooked potatoes and beans in ice water.

Resort Village of B-Say-Tah

2009 Auditors' Report

We have audited the statement of financial position of the Resort Village of B-Say-Tah as at December 31, 2009 and the statements of financial activities, changes in surplus and changes in financial position for the year then ended. These financial statements are the responsibility of the municipality's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Municipality as at December 31, 2009 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Resort Village of B-Say-Tah

Zoning & Building Bylaws

Resort Village bylaws requires that a Development/Building permit must be submitted for approval before any construction, demolition or removal of a building begins

The developer may be required to submit one or all of the following along with the Development/Building permit application:

- Two sets of plans and

specifications of the proposed building.

- A current real property report prepared by a registered land surveyor.
- A current topographical report with or without land elevations may be required.

The Development/Building Inspector will evaluate the compliance of the construction, or demolition to the related Acts and Bylaws.

Inspections will be done on site before, during and at the finish of construction, demolition or the moving of any structure.

Permits are not required for fences **under** six feet in height or for laying paving stones.

Copies of the Building By-law and Zoning Bylaw are available at the Resort Village office.

Romanian Orthodox Church

Shoreline Alteration Permits

Saskatchewan Environment & Resource Management (SERM) requires a permit application to be completed before any work near a lake and stream shore area can take place.

Common activities that can affect fish and fish

habitat are: lake shore alteration during cottage construction; depositing sand for beach development; removing sand, gravel and/or rocks from lake and stream shore areas, diverting or damming streams; dredging or draining marsh lands; installing road culverts;

removal of trees and shrubs; and the erection of retaining walls.

To obtain a permit, contact your Conservation Officer at 332.3215

"A PERMIT APPLICATION IS REQUIRED BEFORE ANY WORK NEAR A LAKE SHORE CAN TAKE PLACE"

- SERM

B-Say-Tah Foundation

The B-Say-Tah Foundation was established by the Resort Village of B-Say-Tah to enable individuals, families or groups to leave a legacy, such as a memorial for a loved one or to celebrate milestones such as

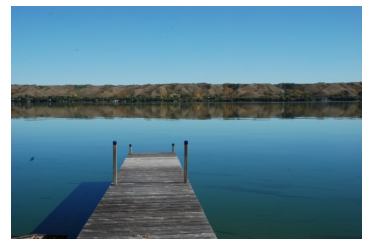

birthdays, retirement or a graduation as a few examples.

The Foundation has been incorporated so that all donations are issued a tax receipt.

Legacies can be given in

many different ways. To find out more regarding the guidelines please contact one of the foundation member:

Nancy & Doug Porcina, Iona & Mark Glabus and Claire Kramer.

The View from B-Say-Tah
