PRESENT: Mayor Isaac Sneath, Councilors Mark Glabus, and Denis Palmier
Administrator Richelle Haanstra

CONFERENCE CALL: Councilor Bob Flutter and Mitch Molnar

PUBLIC PRESENT: Loretta Palmier, Lisa Molnar

CALL TO ORDER PUBLIC HEARING:

Mayor Sneath called the public hearing to order at 2:00pm

Mayor Sneath informed everyone in attendance of the public hearing that Council intends to Adopt a bylaw under The Planning and Development Act, 2007 to amend Bylaw No. 37 Known as the Zoning Bylaw.

The proposed bylaw intends to rezone all the land shown within the bold dash lines below from Street to Residential District.

The affected land is legally described as Lot 1 Block 10 Plan AR4068 and Elsie Street shown on a plan of proposed subdivision below dated December 17, 2020, and signed by James Jacobson S.L.S. The land is immediately south of Highway 210 as shown on the following map.

The reason for the amendment is to provide access to the lots on Block 10 and 11 and to ensure no buildings are encroaching onto the undeveloped street and are contained on their own lot.

Council will hear any person or group that wants to comment on the proposed bylaw. Council will also consider written comments received at the hearing or delivered to the undersigned at the municipal office before the hearing.

Administrator, Richelle Haanstra, informed council and public present that no written comments were received. It was also noted that that there were not comments from the public present.
