

RESORT VILLAGE OF B-SAY-TAH

BYLAW NO. 26

A BYLAW TO REGULATE THE CONSTRUCTION & OPERATION OF PRIVATE SWIMMING POOLS

The council for the Resort Village of B-Say-Tah in the Province of Saskatchewan enacts as follows:

Short Title

1. This Bylaw may be cited as the Swimming Pool Bylaw.

Purpose

2. The purpose of this Bylaw is:
 - a) to control and regulate the construction, erection, maintenance, repair, and demolition of private swimming pools; and
 - b) to specify, regulate and enforce the use of safety measures in connection with private swimming pools.

Definitions

3. In this Bylaw:
 - a) "Resort Village" means The Resort Village of B-Say-Tah;
 - b) "horizontal structural member" means a main part of a fence to which other parts are attached and which runs parallel to grade;
 - c) "occupant" includes a person residing at a property upon which a private swimming pool is situated or a person entitled to the property's possession if there is no person residing there and a leaseholder;
 - d) "owner" means a person who has any right, title, estate or interest in a property upon which a private swimming pool is situate; and
 - e) "private swimming pool" means an artificially created basin, lined with concrete, fiberglass, vinyl or similar material, intended to contain water for the use of persons for swimming, diving, wading or other similar activity, which is at least 600 millimetres in depth, and includes pools situated on top of the ground and hot tubs.

Application

4. Except as otherwise provided, this Bylaw applies to all private swimming pools, including those in existence prior to the passage of this Bylaw.

Permit

5. Each person must:
 - a) obtain a swimming pool construction permit from the Resort Village prior to the construction, erection or demolition of a private swimming pool.
 - b) in order to obtain a swimming pool construction permit, a person must file an application in the prescribed form in writing with the Resort Village which includes a site plan and pool specifications and pay a fee of \$75.00.

Enclosure

6. Each enclosure must:
 - a) Every private swimming pool must be enclosed in accordance with this Section.
 - b) The enclosure must be built prior to the swimming pool being filled with water.
 - c) The enclosure must be properly maintained to comply with the Bylaw at all times.
 - d) The enclosure must meet the following minimum standards:
 - i) the enclosure must have a minimum height of 1.8 metres measured on the exterior, or non-pool, side from the top of the enclosure to the nearest platform, deck or grade;
 - ii) the enclosure must not contain any gaps or openings which exceed 20 millimetres measured horizontally from one side of the gap or opening to the other; and
 - iii) notwithstanding subsection 6(d)(ii) of this Bylaw, if a fence forms part of an enclosure, the following will apply:

- 1) parallel horizontal structural members, the tops of which are at least 1100 millimetres apart;
- 2) parallel horizontal structural members, the tops of which are less than 1100 millimetres apart, must be on the inside or pool side of the fence;
- 3) gaps of up to 100 millimetres are permitted between vertical fence boards or other vertical structural members if parallel horizontal structural members are spaced at least 1100 millimetres apart;
- 4) where diagonal structural members are used, they must be on the inside or pool side of the fence and gaps between the vertical members must not exceed 20 millimetres; and
- 5) if the fence is chain link, the mesh size must not exceed 50 millimetres and the wire core must not be less than 11 gauge.

Gates and Self-Closing Devices

7. A gate which forms part of an enclosure must comply with the following:
 - a) a gate must comply with the requirements for fences in Section 6(d) of this Bylaw;
 - b) all gates must be installed to swing outward in the direction away from the swimming pool;
 - c) all gates must be equipped with a self-closing device designed to return the gate to the closed position after each use, a self-latching device designed to hold the gate in the closed position after each use, and a locking device,
 - d) the self-closing device, the self-latching device and the locking device must be maintained in working order at all times, and
 - e) all gates must be anchored to fixed posts or secure structures on both the hinge and latch sides.
8. The requirement in Section 7(b) does not apply to swimming pools constructed before the passage of this Bylaw.

Securing of Swimming Pool

9. When a swimming pool is not attended by the owner or occupant, gates, doors and other entrances to the swimming pool area must be locked.

Hot Tubs

10. In the case of a private swimming pool which is a hot tub the requirements of Sections 5, 6, 7, 8 and 9 of this Bylaw do not apply if all of the following provisions are complied with:
 - a) the hot tub does not exceed 2.4 metres across the widest portion of the water surface;
 - b) the hot tub has a cover with the strength to support the weight of an adult walking across the top;
 - c) the hot tub has a lockable device to prevent access to the water by unauthorized persons, and
 - d) the cover is maintained in place and locked at all times when the hot tub is unsupervised.

Walkway

11. In regards to walkways:
 - a) Within the enclosure, a swimming pool must have a properly maintained access walkway around the swimming pool with a minimum width of 750 millimetres. The walkway must be within 1200 millimetres of the top of the swimming pool.
 - b) The requirement found in Section 11(a) does not apply to swimming pools constructed before June 7, 1971.

Safety Devices

12. The owner or occupant must have the following equipment present at the swimming pool at all times:
 - a) a reaching pole of sufficient length to reach mid-pool;
 - b) a first aid kit; and
 - c) a buoy and rope of sufficient length to reach across the swimming pool.

Drainage System

13. In regards to drainage systems:
 - a) A swimming pool must have a discharge system which allows the

swimming pool to drain into the sanitary sewer of the property upon which the swimming pool is located and which complies with all relevant legislation governing plumbing and drainage. The rate of discharge must not exceed 90 litres a minute.

- b) No person shall drain the water of a swimming pool into any adjacent public or private property or any street, lane or walkway.

Offenses and Penalties

14. Every person who contravenes a provision of this Bylaw is guilty of an offense and liable on summary conviction to a minimum fine of \$100.00 and a maximum fine of \$1,000.00.
15. A conviction for a contravention of any provision of this Bylaw does not relieve the person convicted from complying with this Bylaw, and the convicting judge or justice may, in addition to the fine imposed, order the person to do any act or work, within a specified time, to comply with the Bylaw.

Coming Into Force

16. This Bylaw shall come into force on the day of its final passing.
