HOW TO READ YOUR TAX NOTICE

Understanding your property taxes—made simple.

PROPERTY ASSESSMENT

The assessed value of your land and buildings, set by SAMA, showing what your property is worth for tax purposes.

Set by SAMA (not the Village)

TAX NOTICE

The bill you receive from the Village that uses your assessed value (along with tax rates) to calculate how much property tax you owe for the year.

Calculated by the Village

Your tax notice shows how your property taxes are calculated and the amount you owe for the year.

HOW YOUR PROPERTY TAXES ARE CALCULATED

Taxable Assessed Value

×

Mill Rate
1000

×

Mill Rate Factor (1)

=

Tax Amount

1 SCHOOL TAX

Taxable Assessed Value × $\frac{\text{School Mill Rate}}{1000} \times 1$

Example:

$458,560 \times 1.95805 / 1000 \times 1 = \896.82

2 MUNICIPAL TAX

Taxable Assessed Value (80%) × $\frac{\text{Municipal Mill Rate}}{1000} \times 1$

Example:

$(458,560 \times 80\%) \times 678.67 / 1000 \times 1 = \$1,078.85$

Putting it together:

School Tax **\$896.82**

Municipal Tax **\$1,078.85**

Subtotal (Before Discount) **\$1,975.67**

15% Municipal Tax Portion
(Applied after tax is calculated) **\$161.82**

Subtotal (After Discount) **\$1,813.85**

The 15% discount ONLY applies to the municipal tax portion.

HOW THE DISCOUNT WORKS

A 15% discount is applied to the municipal tax portion ONLY if payment is received within the discount period.

Pay on or before the discount date to receive the discount.

15% is calculated on the municipal tax amount only.

The discount is deducted, reducing your total amount owing.

YOUR TOTALS

Total Property Taxes: **\$1,813.85**

Total Improvements: **\$0.00**

Total Current Levies: **\$1,813.85**

CREDITS OR ARREARS: **\$0.00**

TOTAL AMOUNT DUE: **\$1,813.85**

YOUR MILL RATES (EXAMPLE)

Tax Type	Mill Rate
School Mill Rate	1.95805
Municipal Mill Rate	678.67

What is a Mill Rate?

A mill rate shows how much tax is charged for every \$1,000 of assessed value.

Example: A mill rate of 678.67 means \$678.67 of tax is charged for every \$1,000 of assessed value.

The amount of taxes owing with the discount is based on the discount available during the discount period only.

WHAT'S NOT INCLUDED

- Local Improvements are added separately (e.g. road works, services).
- Penalties may apply on unpaid taxes after December 31.
- Credits/Arrears reflect any payments or adjustments on your account.

IMPORTANT TO KNOW

- Taxes unpaid after December 31 will incur a 25% penalty on January 1 of the new year.
- A 15% municipal discount is offered during August and September. Envelopes MUST be postmarked on or before September 30 for the discount.
- We accept postdated cheques, online payment, money order, bank draft, e-transfer, or cash (in exact amount).

Building Our Community, TOGETHER!

DEVELOPMENT & BUILDING PERMITS

MORE INFORMATION & APPLICATION FORMS

Find applications, forms, checklists and more on our website.

bsaytah.com/planning-development/building-permits/

DEVELOPMENT PERMIT

Ensures your project fits with the community's zoning and land-use rules, such as where buildings can be located, how tall they can be, and what the property can be used for.

BUILDING PERMIT

Focuses on the construction itself, making sure the work meets building codes, safety regulations, and technical standards like structural strength, plumbing, and electrical systems.

IN SHORT

A development permit answers "Can I build it here?" and a building permit answers "Is it safe to build it this way?"

 **DEVELOPMENTS THAT REQUIRE A PERMIT**

-  • New building construction
-  • New dwelling
-  • Structural Changes
-  • Building Relocation or demolition
-  • Change of use
-  • Installing bay, bow, or box window in new or existing opening, or changing of size
-  • Installing doors different in size of current doors or creating new ingress/egress
-  • Interior Structural alterations
-  • Decks
-  • Roof enclosure over an existing deck or new deck
-  • Re-Roofing of dwelling if support structure is being replaced
-  • Accessory buildings greater than 100 sq ft
-  • Retaining walls over 2 ft
-  • Guest House
-  • Fence greater than 6.5 ft

 **DEVELOPMENTS THAT DO NOT REQUIRE A PERMIT**

-  • Fence less than 6.5 ft
-  • Sidewalks / patios / minor landscaping
-  • Cosmetic repairs such as painting, exterior finishes, siding or stucco
-  • Replacing existing windows/doors if same as existing size
-  • Accessory buildings less than 100 sq ft

 **SHORELINE WORK PERMITS**

A shoreline work permit (Aquatic Habitat Protection Permit) is needed for projects along the water's edge, such as building or repairing docks, retaining walls, or erosion control.

It helps make sure the work protects the shoreline, water, and habitat while allowing safe use of the area.

 **ENERGY CODE COMPLIANCE PERMITS**

Energy compliance means following the building rules that make homes and buildings more energy efficient.

This includes things like proper insulation, efficient heating and cooling systems, and reducing wasted energy.

Meeting these standards helps lower utility costs and makes buildings more comfortable and sustainable.

 **ROADSIDE DEVELOPMENT**

When building a structure, planting trees, constructing approaches or excavating near a provincial highway, you may need a roadside development permit.

A permit is needed for any work within 90 metres (approximately 295 feet) of the property line (or right-of-way edge) of a provincial highway.

This is done to:

- Keep sight lines clear and provide safe driving;
- Leave space for future highway improvements;
- Control snow drifting; and
- Maintain the integrity of the highway.

 **APPLICATION FOR APPROACH**

An application for approach is a request to build or modify an access point from a public road to private property, such as a driveway or lane.

It makes sure the new approach is safe for traffic, doesn't damage public infrastructure, and meets local standards.

In short, it's permission to create a safe and approved way to enter your property from a roadway.

Thank you!

Your cooperation helps keep B-Say-Tah a safe, welcoming and beautiful place for all.

Working Together FOR A SAFE & BEAUTIFUL COMMUNITY

TREE WORK NOTIFICATION & REIMBURSEMENT POLICY

Resort Village of B-Say-Tah

Our goal is safe, efficient and coordinated tree maintenance to protect our community and keep B-Say-Tah beautiful for everyone.

Please notify the Village Office before any tree removal, trimming, or cutting work is completed by Village contractors.

1 WHAT THIS POLICY COVERS

This policy applies to all residents and property owners who are requesting or arranging for tree related work to be completed on or near Village property, road allowances, or where Village contractors may be involved.

2 KEY DEFINITIONS

Village	Refers to the Resort Village of B-Say-Tah.
Village Office	Administrative office of the Resort Village of B-Say-Tah responsible for processing resident requests and coordinating municipal services.
Resident	Any individual who owns or occupies property within the Resort Village of B-Say-Tah.
Tree Work	Includes, but is not limited to, removal, trimming, cutting, pruning, or treatment of trees.
Village Contractor	A third party contractor or service provider hired or authorized by the Village to carry out maintenance work, including tree services.
Village Property	Any land, roadway, easement, or road allowance owned or maintained by the Resort Village of B-Say-Tah.
Notification	A written or verbal communication to the Village Office requesting approval for tree work to be conducted by Village contractors.

3 HOW THE PROCESS WORKS

- NOTIFY THE VILLAGE OFFICE**
Contact the Village Office to request approval for tree work.
- VILLAGE ASSESSMENT**
The Village will assess the request and determine whether the work falls within the Village's responsibility.
- WORK SCHEDULING**
If approved, the work will be scheduled with Village contractors based on priority and availability.
- YOU WILL BE NOTIFIED**
You will be notified of the outcome, established timelines, and any further steps required.

4 IMPORTANT - REIMBURSEMENT NOTICE

Any resident who undertakes tree removal, trimming, or cutting work without **PRIOR APPROVAL** or consent from the Village Office will **NOT** be eligible for reimbursement of any related costs.

This includes hiring private contractors independently or incurring expenses assuming Village reimbursement.

No exceptions will be made unless prior written approval is granted by the Village Office.

5 FAILURE TO COMPLY MAY RESULT IN:

- Denial of reimbursement claims
- Potential liability for damages caused to Village property
- Delays in future service requests

Thank you!

Your cooperation helps us keep B-Say-Tah safe, beautiful, and a wonderful place to live.

New Fire Charges for Call Outs

A response fee of **\$1107.67** will be charged per incident and will be calculated on an hourly basis with a minimum one (1) hour charge prorated per minute after the first hour.

As per our bylaw for fire call outs, the Village of B-Say-Tah will cover the first \$1000.00 of the call should you require the Fort Qu'Appelle Volunteer Fire Department's assistance.

The property owner will be responsible for the remainder of the costs if any. Please keep your insurance provider informed.

SEE SOMETHING? SAY SOMETHING.

HELP KEEP B-SAY-TAH SAFE

The safety of our community is everyone's responsibility. Report suspicious activity, theft, and vandalism to the RCMP **immediately**. Your call makes a difference.

SUSPICIOUS ACTIVITY

If you see something that doesn't seem right, don't ignore it. Report it.

THEFT

Report all theft, no matter how minor. Every report counts.

VANDALISM

Report vandalism and property damage. It helps protect our community.

WHY REPORTING MATTERS

RCMP resources and patrols are often influenced by reported incidents.

The more reports made, the more accurate the picture of local crime becomes.

Increased reporting can lead to increased police presence and patrols in our community.

A stronger RCMP presence helps deter crime and improves safety for everyone.
